ADA = Americans with Disabilities Act
CDBG = Community Development Block Grant
FEMA = Federal Emergency Management Agency
HVAC = Heating, Ventilation and Air Conditioning
NEISD = North East Independent School District
TxDOT = Texas Department of Transportation

\$115 million bond election overview

*San Antonians will have the opportunity to vote on November 4, 2003, on a \$115 million bond issue comprised of five individual propositions. These bond propositions, which **WILL NOT REQUIRE A TAX INCREASE**, include 113 projects throughout San Antonio that will improve streets, drainage, libraries, parks and public health and safety facilities. Sale of bonds and construction of approved projects will occur over three years according to the following schedule:*

2004, First Quarter -- First year of bond sale; work begins on projects.

2005, Second Year -- Second year of bond sale; most design work completed; some projects completed.

2006, Third Year -- Third year of bond sale; construction initiated on most projects.

2007, December -- Construction on all projects will be underway or substantially completed.

proposition 1 Streets and Pedestrian Improvements (30 projects)

Authorizes the City of San Antonio to issue and sell general obligation bonds in the principal amount of **\$29,398,217** to construct street and pedestrian improvements, including drainage and amenities, street lighting, technology improvements and signage, and to acquire lands and rights-of-way necessary for such purposes.

proposition 2 Drainage Improvements (13 projects)

Authorizes the City of San Antonio to issue and sell general obligation bonds in the principal amount of **\$18,912,770** to construct facilities for the removal of, and the protection from, harmful excesses of water and to acquire lands and rights-of-way necessary for such purposes.

proposition 3 Library Improvements (12 projects)

Authorizes the City of San Antonio to issue and sell general obligation bonds in the principal amount of **\$3,965,000** to acquire, construct, improve, renovate, and equip library facilities and acquire lands and rights-of-way necessary for such purposes.

proposition 4 Parks and Recreation Improvements (54 projects)

Authorizes the City of San Antonio to issue and sell general obligation bonds in the principal amount of **\$27,224,013** to acquire, construct and equip park, cultural, and recreation facilities and improvements, make park additions and acquire lands and rights-of-way necessary for such purposes.

proposition 5 Public Health and Safety Improvements (4 projects)

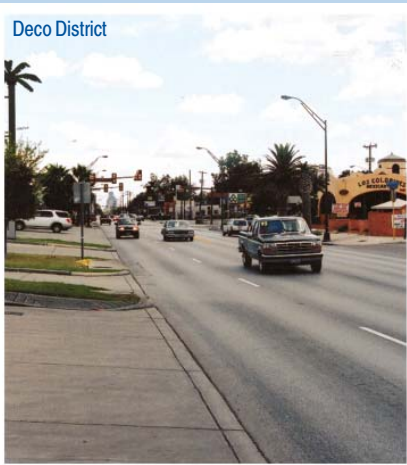

Authorizes the City of San Antonio to issue and sell general obligation bonds in the principal amount of **\$35,500,000** to acquire, construct, improve, renovate and equip public health and safety facilities, and to acquire lands and rights-of-way necessary for such purposes.

street and pedestrian improvements

\$29.4 million

Deco District

Brooks City-Base

Adams Hill Sidewalks – Horal to Dead End/\$261,000
Reconstruct sidewalks to ADA standards, curbs, and driveway approaches.

Blanco Road – Hildebrand to Summit Phase I/\$960,000
Includes streets, sidewalks, landscaping, and pedestrian enhancements.

Brooks City-Base/\$600,000
Includes infrastructure improvements in accordance with the Brooks Master Plan.

Cincinnati – Fredericksburg to IH-10/\$211,651
Reconstruct curbs, sidewalks, driveways as required; construct wheelchair ramps and mill and overlay as required.

Commerce Street – Railroad to S. Palmetto/\$2,106,438
Restore pavement and construct curbs, sidewalks, and streetscape enhancements (to be combined with \$4,100,000 in County Funds).

Cornell – Brazos to Colorado/\$174,000
Construction of new curbs, sidewalks, and driveway approaches.

Culebra Area Streets, Phase 4A – Pettus from Culebra to Broadview/\$1,100,000
Reconstruct Pettus Road from Culebra to Broadview with a transition zone on Broadview with curbs, sidewalks, driveways and underground drainage.

Deco District – Fredericksburg Road Streetscape and Sidewalks and Travis Building Parking Lot – Quentin to Kings Highway/\$950,000
Streets, sidewalks, landscaping, signage, and lighting from Quentin to Kings Highway; acquisition, demolition, design, and construction for parking lot development at the Travis Building.

Duke Area Streets, Phase I of a Multi-Phase Project/\$994,000
Reconstruct streets, curbs, sidewalks, and necessary drainage on Marquette from Stonegate to Wake Forest, on Varsity from Bandera to Wake Forest and on Wake Forest from Stonegate to N. General McMullen.

Durango – Trinity to Dead End/\$100,000
Provides supplementary funding to improve street drainage and reconstruct street with curbs, sidewalks, and driveway approaches from Trinity to Brazos. Only sidewalks will be constructed from Brazos to Dead End (to be combined with \$865,909 in CDBG funds).

El Monte, Phase II – Blanco to San Pedro/\$234,585
First funded phase of a three phase project to include reconstruction of North Flores from El Monte to La Manda.

proposition 1

street and pedestrian improvements

Fay, Phase II, Part 2/ \$1,183,000

Reconstruct Fay from Midpoint between Crittendon and Creighton to the end of Fay Phase 1 and Applebee from Fay to Deadend to include sidewalks, curbs, driveway approaches and necessary drainage.

Houston and Commerce Underpass – Houston and Commerce at IH-37/\$108,562

Sidewalk, landscaping, and design enhancements in conjunction with TxDOT-funded design enhancements under IH-37 (to be combined with matching funds from TxDOT and Rotary).

KellyUSA/\$2,600,000

Includes infrastructure improvements in accordance with the KellyUSA Master Plan.

La Manda – West Avenue to Buckeye/\$280,000

Reconstruct street with curbs, sidewalks and driveway approaches, and limited drainage.

Marbach Phase I – Military to Pinn/\$4,430,751

Reconstruct street with curbs, sidewalks and driveway approaches, and necessary drainage.

Ozark – Erskine to Williamsburg/\$139,000

Reconstruct street with curbs, sidewalks and driveway approaches, and limited drainage.

Pearl Parkway – Broadway to Avenue A/\$200,000

Includes sidewalks, landscaping, streets, and pedestrian enhancements.

Pedestrian Mobility & Traffic Calming Projects in District 1/ \$17,000

Pedestrian mobility and traffic calming projects in district neighborhoods.

Pedestrian Mobility & Traffic Calming Projects in District 4/ \$534,000

Pedestrian mobility, traffic calming, and surface drainage projects in district neighborhoods.

Redland Road Improvements – Redland Woods to Jones-Maltsberger/\$355,000

Reconstruct right turn lane at Jones Maltsberger, construct surface drainage systems to alleviate ponding.

Right-of-Way Acquisition of Highway 281 Corridor – 1604 to Stone Oak/\$400,000

Provides the City's match for right-of-way acquisition for U.S. 281 from Loop 1604 interchange to Stone Oak (to be combined with \$3,600,000 in TxDOT funds).

Rosabel Street – Culebra to Inez/\$1,372,000

Streets, sidewalks and drainage from Culebra to Inez.

School Safety Improvements in District 9/\$75,000

Provides school flashers at the following schools: Harmony Hills, Lamar, Hidden Forest, Coker and Eisenhower.

School Sidewalk Priority Program in District 7/ \$350,000

Constructs sidewalks in the vicinity of schools in District 7.

Skyline Neighborhood Improvements Phase I – Erin, Bell, Cisco and Middle Streets/\$150,000

Neighborhood-wide surface drainage improvements.

South Texas Medical Center Improvements/\$1,625,000

Provides City matching funds to continue private sector funding of reconstruction of signalized intersections as recommended by the Medical Center Master Plan and the traffic study (to be combined with up to \$1,625,000 in matching funds from the Medical Center Alliance).

Southtown - South Presa – Carolina to Lowell/\$310,000

Includes sidewalks, landscaping, lighting and pedestrian enhancements.

Stahl Road – O'Connor to Judson/\$4,945,000

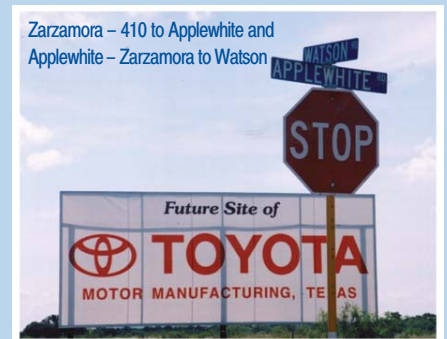

Includes street reconstruction to five lanes and associated drainage and traffic improvements.

Zarzamora – 410 to Applewhite and Applewhite – Zarzamora to Watson/ \$2,632,230

Install curbed and landscaped medians, signage, lighting, and pavement markings; all in conjunction with Bexar County street improvements (to be combined with \$27,400,000 in TxDOT and County funds).

Zarzamora – 410 to Applewhite and Applewhite – Zarzamora to Watson

South Texas Medical Center

drainage improvements

\$18.9 million

Drainage Improvements

Alamo Farmsteads Drainage Phase I on Whitby from Abe Lincoln to Leon Creek/ \$1,500,000

Develop a drainage master plan and implement Phase I improvements that include drainage on Whitby from Abe Lincoln to Leon Creek.

Ansley Boulevard Drainage 1091/\$2,050,000

Continues a 1999 Bond Project by reconstructing Ansley from Zarzamora to Wilma Jean and Rockwell from Ansley to Janice Gail to include sidewalks, curbs, driveways, and underground drainage. Upgrade drainage channel from 500 foot west of Rockwell to Upper Six Mile Creek.

Cardiff Area Drainage Improvements and Honey Boulevard – Aransas to Commerce/\$1,200,000

Construction of storm sewer outfall along Aransas Avenue from IH-10 to Honey Boulevard and reconstruction of Honey Boulevard from Aransas to Commerce to a street width of 30 feet, including concrete curbs, 4-foot sidewalks, wheelchair ramps, driveway approaches, and storm sewer improvements (to be combined with \$200,000 in CDBG funds).

General McMullen Area Drainage – Dexter to Roselawn/\$1,147,000

Reconstruct Jamar with curbs, sidewalks, driveway approaches and underground drainage from Dexter to Roselawn.

Linda Lou – Presa to Hackberry/\$570,000

Provide underground drainage on Linda Lou to eliminate standing water; rehabilitate pavement and curbs.

Marney Plaza Outfall/ \$4,847,770

Construct drainage improvements to increase the capacity of existing culverts and provide an outfall for the Rip-Rap 69 Project.

Oak Glen Low Water Crossing Warning System/ \$300,000

Advanced flood warning system and warning devices on Cave Lane, Haskin, Kenilworth and Oak Glen.

Octavia #63 Phase II, Part B/ \$2,400,000

Reconstructs associated streets with curbs, sidewalks, driveway approaches and underground storm drain system on Hart east of Weinberg, Weinberg-Division to Chalmers, and Chalmers-Weinberg to IH-35.

Olympia Drainage Area Phase I/\$1,500,000

Improves drainage outfall in the Warner and Olympia area; first phase of a multi-phase project.

San Pedro/Huisache Area Drainage, Phase I/\$1,500,000

Improves channel outfall and limited improvements on Mulberry, Agarita, San Pedro, Breeden and Huisache; first phase of a multi-phase project.

Sinclair Road at Rosillo Creek/\$1,500,000

Eliminates low water crossing on Sinclair Road at Rosillo Creek.

Upper Olmos Creek/\$98,000

Provides City match to purchase five residential properties and 10 vacant residential lots on Sleepy Hollow that are in the Olmos Creek floodplain area.

Weidner Low Water Crossing Warning System/\$300,000

Supports advanced flood warning system with flashing lights on Weidner Road at Leonhardt Road.

Drainage Improvements

proposition 2

Brook Hollow Library

library improvements \$3.9 million

Alternative Energy Source for Hausman Library Project/ \$50,000

Supports energy and environmental demonstration project at the proposed Hausman Branch Library at the corner of Hausman and Woller.

Brook Hollow Library Upgrades/\$278,000

Upgrades the Brook Hollow Library building, which may include HVAC, plumbing, electrical and roofing upgrades as recommended by the city-wide facility condition analysis study.

Cody Library Facility and Collections Enhancement/ \$47,000

Upgrades the Cody Library building, which may include HVAC, plumbing, electrical and roofing upgrades as recommended by the city-wide facility condition analysis study and enhance the branch material collections.

Cody Library Parking Lot Expansion/\$230,000

Design and construction of parking lot through agreement with Northside Independent School District.

Cortez Library Upgrades/ \$150,000

Upgrades the Cortez Library building, which may include HVAC, plumbing, electrical and roofing upgrades as recommended by the city-wide facility condition analysis study.

Forest Hills Branch Library Upgrades/\$230,000

Upgrades the Forest Hills Library building, which may include HVAC, plumbing, and roofing upgrades as recommended on city-wide facility analysis study.

Hausman Road Library Upgrades, Expansion/ \$1,180,000

Additional square footage to new District 8 branch library on Hausman Road to ensure increased community meeting room, computer labs, additional office space, and library enhancements.

Hertzberg Library Stabilization Project/\$500,000

This project consists of interior and exterior stabilization of the existing Hertzberg facility. The project will provide architectural engineering and other services address fire/life safety codes, electrical systems, air conditioning and heating systems, plumbing, roofing, facade, and site (to be combined with \$250,000 in proposed County bond funds).

Johnston Library Upgrades/ \$150,000

Upgrades the Johnston Library building, which may include HVAC, plumbing, electrical and roofing upgrades as recommended by the city-wide facility condition analysis study.

McCreless Library Upgrades/ \$100,000

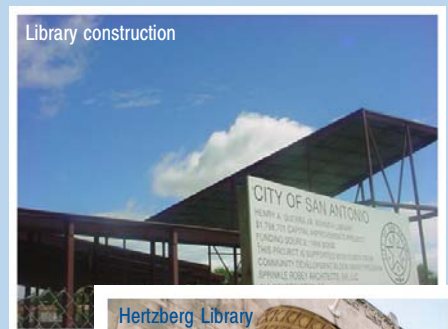

Upgrades the McCreless Library building, which may include HVAC, plumbing, electrical and roofing upgrades as recommended by the city-wide facility condition analysis study.

North East Library – Roosevelt High School/ \$900,000

Funds will be used to provide library services to the community through a joint project between the City and NEISD at a proposed new Roosevelt High School facility.

Pan American Library Upgrades/\$150,000

Upgrades the Pan American Library building, which may include HVAC, plumbing, electrical and roofing upgrades as recommended by the city-wide facility condition analysis study.

Library construction

Hertzberg Library

Library materials

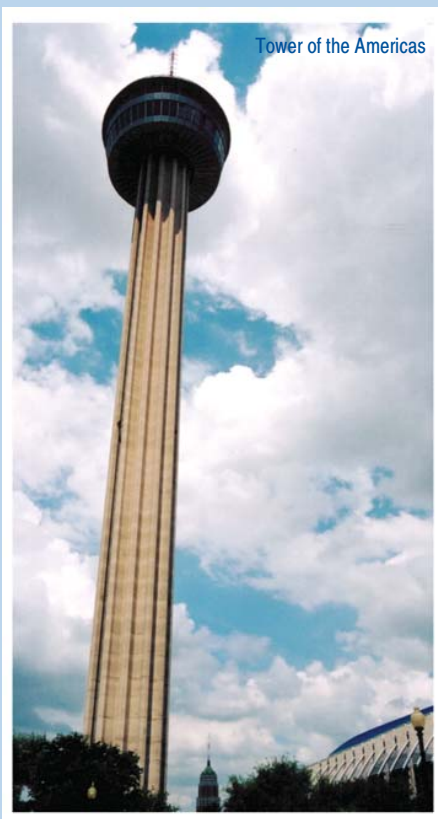

proposition 3

Woodlawn Lake Park

parks and recreation improvements

\$27.2 million

Tower of the Americas

Al Forge Park Improvements/ \$150,000

Lighting and rehabilitation for ball field, and general park improvements.

Alderete Park Walking Trail/ \$200,000

Development of a walking trail.

Arnold Park Improvements/ \$150,000

Playground and pavilion improvements; Gym roof rehabilitation.

Botanical Gardens ADA and Funston Acquisitions/ \$800,000

Upgrade ADA path of travel to buildings and garden area, paving and walkway repairs, and acquisition of parcels of property on Funston to expand the facility.

Brackenridge Park – Japanese Tea Gardens Rehabilitation/\$750,000

Rehabilitation of the historic Japanese Tea Gardens including irrigation, masonry, landscaping, lighting, structural repairs, and pavilion.

Cathedral Rock Nature Park Improvements/\$235,000

General park improvements to include trails, lighting, and a playground.

Cuellar Park Community Center Roof Replacement/ \$236,000

Replacement of the community center roof.

District 4 Soccer Field Development/\$250,000

Development of soccer fields at Palo Alto College or other educational facilities.

District 6 Park Land Acquisition and Development/\$239,124

Park land acquisition and development in Council District 6.

District 6 Pool Facility Rehabilitation – Westwood Terrace, New Territories and Cuellar Parks/\$465,000

Rehabilitation of pool facilities to include ADA modifications and renovation of pool decks, bath house and filtration systems to meet state and City health codes.

District 9 Neighborhood Park/Sports Field Land Acquisition/\$500,000

Acquisition of property for neighborhood parks in association with NEISD projects.

Eisenhower Park and Friedrich Park Water Service Improvements/\$595,000

Provide for the connection of park facilities to water service utilities.

Father Benavides Park Improvements/\$100,000

General rehabilitation and improvements to park facilities.

Friesenhahn Park Improvements/\$100,000

Rehabilitation to picnic facilities, pavilion, and trail improvements to the existing pond, and ADA modifications.

Golden Community Park Improvements/\$150,000

Playground development and general park improvements.

proposition 4

parks and recreation improvements

Hausman Road Park Land Acquisition and Site Development/\$650,000

Acquisition of property adjacent to the existing park/library site for park development to augment complex including a sports field.

Heritage Neighborhood Park Improvements/\$185,000

Development of a covered basketball court and walkways.

Hillside Acres Gardens Development/\$100,000

Development of City property into a community gardens and park.

Historic City Cemeteries Fencing/\$50,000

Installation of fencing at portions of the historic eastside cemeteries.

Ingram Hills Park

Development/\$131,000

Development of basic park improvements and walking trails.

Jimmy Flores Park

Improvements/\$120,000

Development of a cover for an existing basketball court.

Lackland Terrace Park

Improvements/\$180,000

Development of a playground, gazebo, and a pavilion.

Lakeside Park Improvements/\$400,000

Development of basic park improvements.

Las Palmas Park

Improvements/\$200,000

General rehabilitation and improvements to park facilities.

Los Angeles Heights Park Improvements/\$150,000

General park improvements to include a lighted basketball court.

Market Square: Farmer's Market Rehabilitation/\$419,000

Rehabilitation to the Farmer's Market building including lighting, roofing, HVAC, and other general improvements.

McAllister Park

Rehabilitation and Improvements/\$1,227,000

Rehabilitation of pavilions, playgrounds, trails, and ADA modifications and other general park improvements.

McClain Park Development/\$100,000

Development of basic park improvements.

Medina Base Road Park Improvements/\$150,000

Development of a skate plaza including a concrete pad and portable skate components.

Miller's Pond Park

Improvements/\$100,000

Improve parking, ball fields, and access to football field and football field parking lot.

Mission Trails Facility

Improvements/\$1,032,764

Construction of a hike and bike trail along the San Antonio River from Lone Star Boulevard to Eagleland Drive near Brackenridge High School and associated street improvements.

Mitchell Lake/Land Heritage Institute/\$1,450,000

Acquisition and improvements of land for continuous open space and buffer between the two properties and development of a hike and bike trail system.

Monticello Park

Improvements/\$55,000

Park development and improvements.

Mud Creek Park Improvements/\$100,000

Development of basic park improvements to include trail development, access, signage, and other required improvements.

Museo Americano/\$400,000

Provides City matching funds to continue private sector funding in the development of Museo Americano.

Nani Falcone Park

Improvements/\$750,000

Development of general park improvements including trails, park amenities, and drainage/wetland enhancements.

Northampton Park

Development/\$235,000

Development of basic park improvements including a trail and parking area.

O.P. Schnabel Park Entrance Improvements/\$250,000

Park entrance rehabilitation to include drainage, vehicular control, paving, lighting, signage, fencing, and landscaping.

Olmos Basin Park

Improvements/\$600,000

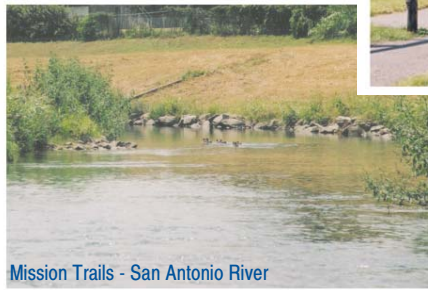

Improvements to include habitat restoration, trails and interpretive features along the creekway and in portions of the park. Matching funds for a grant.

parks and recreation improvements

McAllister Park

Mission Trails - San Antonio River

Japanese Tea Gardens

Oscar Perez Memorial Park Development/\$415,000
Development of basic park improvements including parking, lighting, youth sports practice fields, playground, and walking trail.

Pearsall Park Improvements/\$80,000
Development of a disc golf course and walkways.

Rainbow Hills Park Improvements/\$120,000
Development of a cover for an existing basketball court.

Regional Youth Sports Facility Improvements/\$5,800,000
Provides for the improvements to existing City-owned sports fields and acquisition of property and development of new City-owned sports fields at nine locations city-wide.

San Antonio Zoo Facility Improvements/\$1,450,000
In support of the Zoo master plan for expansion and renovations.

South San Community Center Playground Development/\$110,000
Development of a new park playground.

Spring Time Park Pool Rehabilitation/\$350,000
General rehabilitation of the existing pool structure and decking and mechanical systems, and construction of new park restrooms/locker rooms and other general park improvements.

Stone Oak Park Improvements/\$750,000
Development of general park improvements to include trail lighting, trail heads, outdoor classrooms, and interpretive features to complement and connect to Bush Middle School.

Tom Slick Community Park Improvements/\$239,125
Development of basic park improvements.

Tower of the Americas Rehabilitation/\$1,600,000
Rehabilitation of the existing structure to include structural, HVAC, electrical, plumbing, and other code upgrades and general improvements.

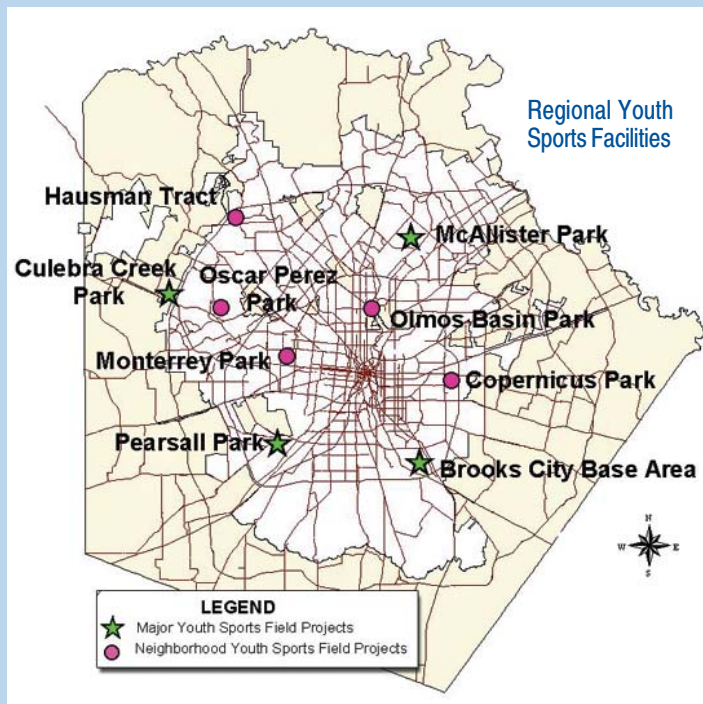

Walker Ranch Park Improvements/\$820,000
Acquisition of property and development of additional parking, trails, and general park improvements.

West End Park Improvements/\$200,000
Replacement of the gymnasium floor at the Frank Garrett Community Center.

Westside Branch YMCA Roof Replacement/\$170,000
Replacement of roof for the westside branch YMCA.

Witte Museum and Pioneer Hall Improvements/\$150,000
General building improvements to Pioneer Hall.

Woodlawn Lake Park Improvements/\$1,015,000
Rehabilitation of existing park features including shoreline restoration, erosion control, playground improvements, irrigation, landscaping, perimeter vehicular control, and general park improvements.

public health and safety improvements

\$35.5 million

Animal Care Facility/ \$12,100,000

Design and construction of an approximately 42,000-square foot animal care facility on approximately 8 acres. The facility will include kennels, veterinary clinic, crew quarters, administrative space, and parking for animal control trucks, visitors and employees. The proposed facility will be 43 percent larger in size than the current facility and will allow animals to be held for three days.

District 2 Comprehensive Health Facility/\$400,000

Provides funding for construction of a health care facility in partnership with a non-profit organization.

Emergency Operations Center/\$20,500,000

The Emergency Operations Center will house and unify City, County, Regional, State and Federal departments and/or personnel for the purpose of gathering, evaluating, distributing critical information and implementing responsive actions in the event of a natural or man-made emergency or disaster. The Center will be capable of operating around the clock for extended periods of time. The Emergency Operations Center will include a central command operations space, a media briefing room, an emergency planning room, administrative and support space, a technical infrastructure and computer room, redundant communications systems, and electrical generator back-up

systems. The Center will be staffed during emergencies by the City and other governmental agencies such as Bexar County, local and regional utilities, FEMA, local military and state/federal liaisons, and other agencies with emergency response functions (to be combined with \$4,000,000 in proposed County bond funds).

Medical Center Area Senior Multi-Services and Health Center/\$2,500,000

Acquisition, construction, and outfitting of new community multi-use health care center (to be combined with \$750,000 in proposed County bond funds).

proposition 5

\$115 million bond election projects by city council district

Each of the 113 bond projects is listed here by City Council district. In some cases, a project may be funded by more than one Council district and will appear in each district that contributes toward the project's total cost. Some projects also may be listed as "community-impact" projects because these projects may benefit the whole community beyond their location or Council district. Community-impact projects make up \$61.9 million of the proposed \$115 million bond program. Completion of all bond projects **WILL NOT REQUIRE A TAX INCREASE**.

community-impact

Street and Pedestrian Improvements (Proposition 1)

- Brooks City-Base
- Commerce Street - Railroad to S. Palmetto
- Deco District, Fredericksburg Road Streetscape and Sidewalks and Travis Building Parking Lot - Quentin to Kings Highway
- Houston and Commerce Underpass - Houston and Commerce at IH-37
- KellyUSA
- Right of Way Acquisition of Highway 281 Corridor - 1604 to Stone Oak
- South Texas Medical Center Improvements

Drainage Improvements (Proposition 2)

- Marney Plaza Outfall

Library Improvements (Proposition 3)

- Hertzberg Library Stabilization Project

Parks and Recreation Improvements (Proposition 4)

- Botanical Gardens ADA and Funston Acquisitions
- Brackenridge Park Japanese Tea Gardens Rehabilitation
- Historic City Cemeteries Fencing
- Market Square: Farmer's Market Rehabilitation
- Mission Trails Facility Improvements
- Museo Americano
- Olmos Basin Park Improvements
- Regional Youth Sports Facility Improvements
